<https://www.facebook.com/EricksonBooks> Growing up on a small farm in Central Minnesota, with no brothers and few close neighbors, nature became my friend. None of my relatives were involved in the outdoors and my inquisitive nature served me well. Living among woods, hills, lakes, and sloughs offered a challenge. I believe my stories will inspire young people to become more involved in the outdoors and bring back memories to adults. My trials and errors result in much humor, including my many close-up encounters with turtles and skunks and thinking when I shot at my first deer it should fall like a duck.
