Pop-up Tour De France: The World's Greatest Bike Race

Synopsis

The story of the Tour de France, one of sport's most amazing events, is told in both words and images in this impressively vibrant pop-up history. Invoking the sense of freedom and adventure that cycling brings to people of all ages, this visual chronicle uses eight intricate, colorful 3-D scenes to illustrate the unique traditions, strategies, and heroism of the annual quest for the yellow jersey. Pop-up scenes tracing the development of the bicycle through history, a revolving wheel explaining the roles of various team members and racing officials, and a map of France that tracks the Tour's progress all encourage readers to embark on a journey of discovery.

Customer Reviews

I read about this book, and thought it would be a great gift for my nephews, who love bicycling and live in a biking home. When it arrived (right on time), it was so beautiful.... almost like a piece of art -- we decided to give it to the entire family rather than just the kids. What a find!

Bought it for my father's birthday who is a tour de France nut. He thought it was a fun gift. It does have great info.
