Uzumaki (3-in-1, Deluxe Edition): Includes Vols. 1, 2 & 3

Synopsis

A masterpiece of horror manga, now available in a deluxe hardcover edition! Kurŕzu-cho, a small fogbound town on the coast of Japan, is cursed. According to Shuichi Saito, the withdrawn boyfriend of teenager Kirie Goshima, their town is haunted not by a person or being but by a pattern: uzumaki, the spiral, the hypnotic secret shape of the world. It manifests itself in everything from seashells and whirlpools in water to the spiral marks on people's bodies, the insane obsessions of Shuichi's father and the voice from the cochlea in our inner ear. As the madness spreads, the inhabitants of Kurŕzu-cho are pulled ever deeper into a whirlpool from which there is no return!

Book Information

Series: Uzumaki

Hardcover: 648 pages

Publisher: VIZ Media LLC; Deluxe ed. edition (October 15, 2013)

Language: English

ISBN-10: 1421561328

ISBN-13: 978-1421561325

Product Dimensions: 5.8 x 1.9 x 8.2 inches

Customer Reviews

Usually, and as opposed to horror movies, I am quite cynical of the power of comics to truly terrify the reader. Though there are good and bad works in every medium, I never really have found myself really creeped out when reading something of this genre. I have certainly found good stories with a creepy atmosphere, but nothing truly memorable. So when I purchased Junji Ito's Uzumaki I didn't really expect anything in particular, and certainly nothing memorable. Oh, how wrong I was. I had heard of the brilliance of this comic and Junji Ito, but I had never hoped to get to read something this good. Whilst I didn't find Uzumaki truly horrifying (though I rarely do, probably a side effect of having read too much of this genre), it was definitely a lot better than what I expected. It is creepy from start to finish, and not only that, is practically impossible to put down. It features a town that, rather than being haunted by a ghost as would typically be the case, is

haunted by a pattern; mainly, that of spirals. It is bizarre, and though it has numerous characters it really follows Kirie Goshima and her boyfriend as they confront the many things caused by this haunting. From characters becoming obsessed with spirals to metamorphosis, *Uzumaki*™ contains a lot of different stories featuring many different events. What is more impressive is the way the theme of spirals makes its appearance in every chapter. Ito manages to pull through the idea of a pattern haunting a town amazingly well, and it manages to become incredibly creepy and understandable very fast. Spirals seem to be everywhere and affecting everything, and the characters are quite quick to catch on.
