I love these studies - but as with any study written by man read it along with your Bible. I really enjoyed the use of Greek and Hebrew terms which makes understanding much better.

I love the way these study guides use the Bible and also opens you up to really think about how the Word of God should be alive in our everyday lives.

This is a great teaching Bible study lessons book. Its great for personal growth, Sunday school or small group studies. I would recommend this book.

easy to read and understand. i find everything in it to truly follow the word of the Lord. prayerfully looking for more from these men of God

These books will be a great help to my Sunday School lessons.

I reserved one star due to what I perceive as poor grammar. I.e. The use of "of" instead of "have" as in "I should of said." Not a big deal but quite distracting. I like the subject matter and the general content. I would like to have a bound copy for my personal library. If you are a "Berean" such as my self you will enjoy having your Bible at hand and a tablet for notes. I hope to see more of Calvin G. and Timothy Lee Smith in the future.

I loved all three of these GREAT BIBLE STUDY LESSONS. THEY WERE ALL GREAT AND WOULD RECOMMEND THEM TO ANYONE WANTING A DEEPER WALK WITH GOD.

Wonderful resource for studying the Bible. Great subjects
