The Trinity Vs. The Watchtower: Biblical Trinitarianism Vs. The Teachings And Practice Of Jehovah's Witnesses Through The Watchtower Bible And Tract Society

Synopsis

An examination of the role of the Father, the Son and the Holy Spirit, whom the Christian Church commonly refers to as the three persons of the Trinity. A study of the teachings and doctrines of the cult known as "The Jehovah's Witnesses" and their claims, through "The Watchtower Bible and Tract Society", that Christianity has a false, and unbiblical, understanding of the nature of God. The book shall aim to investigate the teaching methods that Jehovah's Witnesses use in proselytizing, to illustrate the serious threat that this cult poses to mainstream Christianity through its potential of misleading both Christians and unbelievers into an acceptance of erroneous doctrine and an unfounded sense of security.
