The Day Of The LORD Is At Hand: 7th Edition - 2014

Synopsis

The 911 attack on America started the slide towards global chaos over a decade ago. Now the growing wars in the Middle East, and rumors of war with Russia over Ukraine, and the never ending economic crisis which has created out of control federal deficits, and financial markets which are merely levitating on a bubble of printed money, assuring the US that a dollar crisis is waiting in the wings, as the real economy continues to sink into a global depression. Everywhere you look, the world is beginning to spin out of control. You are living in the most dangerous time in the history of this nation and if you are not prepared for what lies immediately ahead, you and your family will likely not survive. Ignorance is no longer bliss. Ignorance is now fatal. If you hope to survive and endure what is coming upon America and the whole world, then you must find the truth. You must learn everything you can about what is really happening in America, and what is coming next. The events which are now coming to pass are described in detail in Bible Prophecy yet much of the Bible is in symbolic form and requires interpretation, for the "words were closed up and sealed until the time of the end". (Daniel 12:9) It is little wonder that men who labored to read the sealed prophecies over the many centuries failed to discern the true meaning for the prophecies of the Bible have been kept secret until the time of the end. Only now has the book been opened and the true message revealed. The Day of the LORD is at Hand was written to reveal the clear message of Bible prophecy to the last days church in America, and to help you survive and endure to the end, that you and your household maybe saved from the hour which has finally come upon us. "For as a snare it shall come upon all of them who dwell on the face of the whole earth, watch therefore and pray always, that you may be accounted worthy to escape all these things that shall soon come to pass, and to stand before the Son of man". Jesus Christ - The Gospel of Luke

It appears that the reason that there are 7 editions of this book is because the author has had to change dates in order to stay relevant. The reason for this assertion is the following: He stated in the 2nd edition of this book on page 235 and 236, and I quote, "The Lord has revealed several things about the coming judgement upon America:" followed by several bullet points which conclude with "America as we know it is over, and will not survive to the year 2007." So the LORD *revealed* that to him and yet the information was demonstrably wrong given that it's 2015 and America is still here. Of course, when pressed he could respond with "I mean that only America as we know it has not survived." Yet, in the same list of bullet points before the 2007 prediction there is the following: "Civil war will come to America at the beginning of the judgement.", "The east and west coasts will be destroyed by nuclear fire.", "Biological weapons will be used in the other major U.S. cities.", and "The U.S. will suffer a staggering loss of life in the tens of millions.". Yet, he just meant that America would not survive past 2007 in a purely symbolic "as we know it" way. Right. On page 31 of the 2nd edition he says "The great tribulation will therefore begin on or before March of 2006." That's a time period that credible scholars conclude will only last 7 years before Christ returns and will be a time of the greatest calamities the world has ever seen and will ever see again.

I like this book, although I don't agree with some of what he says. He doesn't believe in the Rapture (not essential, and some outstanding scholars are in this camp), but he claims to have had a vision (and I believe he is telling the truth), which cost him his very livelihood to be honest about. If you are into "the prosperity gospel" this book will offend you. However, if you really want to know the seriousness of the what will occur during the Day of the Lord (the "day" being a length of time--could

be the entire 7 year Tribulation period), you should sit down and read this book. I like this book because this man is serious about "fearing" (I really mean "fear", not just reverence here) the Lord. This man takes God seriously, and I greatly respect that. So many who call themselves His own do not "fear" Him. God is not Santa Claus, and He is about to show Himself to the world. Mr. Baruch claims to have had a vision of the end times. His vision of the end times is utterly horrific, so much so, I found it hard to digest and really frightening (although I believe it is an accurate description). A vision where Christians will stand for their faith and die, or cave in and take the mark of the beast, and suffer eternal damnation. Whether we like it, or believe it, or agree with it -- this is Biblical. This book stresses holiness, repentance and right living before a holy God. Mr. Baruch indicates that God will protect His own through the Tribulation, but that only a small remnant will be left. This, too is Biblical. The premise in this book is: "God will protect that which is His, and destroy everything else". I think that is nearly a direct quote that Mr.
