## Customer Reviews

A good ending to the series, just expect alot more Ecchi/ Fan service in this volume. My only critic is that the ending story seemed very rushed compared to the other side adventures leading up to it. Kind of anti-climactic... But still a good read with an interesting ending.

I suppose I should have expected how the story would go after watching the anime, but truthfully I didn't expect it to turn in to a full on hentai manga series. The art and story are good, though as the author stated, a lot had to be left out from the transition from light novel to manga because of the length it would have had to become.

I am a fan of this series. IT IS OVER PG13 so OBVIOUSLY not for kids.

An epic ending to a great story!

good
