This is like a chapter of a manga, not a full volume, but I feel like it was well worth my money. I will be buying future releases. the art is quite nice and the characters are super likable too. it moves a bit fast, but not too bad. of course the main draw to this manga is that it's smut, haha. there's basically one smut scene with kisses sprinkled throughout the chapter. it's extremely cute smut and I'm definitely looking forward to reading more :]

This story was incredibly short. It seemed as if there wasn't enough time to build the characters

before they were making out.. The storyline didn't progress slowly enough to develop any amount of suspense or sensual longing for the characters to get together... Disappointed

I love reading this Manga. I have the whole series. It was a great read one that I will reread over and over. It was great. I hated that it ended

So far this is adorable, it is downright delightful to see the first love interest is of the K-9 variety! Can't wait to read the next manga.

Kinda short, but worth it. The artwork isn't too bad to look at and the story line is interesting. I wonder what's gonna happen next.

Love this Can't wait until I can continue reading I would give this manga a five star rating it is amazing.

This book is really good and I like it. And I hope to read more of this article . Thank you

Was not expecting mature content but the story line seems interesting. I am moving on to read V2. I have hopes for this manga.
