## Customer Reviews

Hello I'm listening. Love the clarity of the explanation. Revelations 3 is indeed an important message. Wouldn't have thought of it as such without this book. I know now that I'm lukewarm. Though I shout anywhere my love for Christ I always prefer to be on the sidelines and watch. I do pray for the courage to speak out! Amen

Very short with an amazing message. A five to ten minute read, then you can decide if this book picked you.

Praise God! The title peaked my interest. I had to take the time and read it. It is filled with truth which is what is lacking in this world. Amen God bless the Author. Thank you.

I was in a bad place when I first heard about this book, but I've read it a few times now and it continues to inspire me each time I read it again.

I love Inspirational books and this little short book has some amazing Inspirational Messages. and for 99 cents it's a Grab.

this is a good buy. i did not even expected it to be this awesome. i am so satisfied and happy that it only cost a dollar.

A great read was a bits shorter than expected but none the less great and very informative, I would recommend

It seems to have some interesting points, but I haven't read it thoroughly.
