Strongman's His Name...What's His Game?

Synopsis

Instead of "binding" symptoms of sickness, we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible. God names them, they are real, and He has given us dominion over them through the name of Jesus! Here is a scriptural, balanced, uplifting approach to presentâ "day spiritual warfare.

I REALLY ENJOYED THIS BOOK!! It has matured my daily walk as well as opened my eyes to the hidden war in which we are all participants. This book, more than any other, has taught me how to protect myself and my family when engaged in spiritual warfare. The Robesons succeed in helping the reader understand the different ways that Satan may manifest himself in our lives. They explain how to combat demonic attacks using scriptures and the promises of God, while walking you through the actual process. This is a must read for all prayer warriors.

This gives book very insightful information on spiritual warfare. It offers it's readers the opportunity; to learn about the nature of the strongman and how to overcome the strongman. A excellent study tool and guide; written in matter for everyone to use and understand. This book is not only a great study tool; it is a great reference tool as well; it opens many avenues to understanding how to properly deal with the strongman; at it's root. The authors use of pictures and scriptures; was a great use of a visionary method to give their readers more insight on how the strongman truly

operates. This book is very informative; a must have on your bookshelf !! A great book that brings clarity and understanding to Spiritual warfare !!

This is the best comprehensive book I've seen on this topic and I should know-I worked in a Christian bookstore! Well organized, easy to follow. You won't regret having this book as a reference on your shelf.

I loved it. It does wonders in explaining how demons work on a person's life & how you can deal with them & get rid of them once & for all. This book holds so much information. My husband & I both read it many times & even bought the sequel to it.

This is a very good book for those who are into Spiritual warfare. This book details 16 Biblical spirits and their manifestations that attack and oppress believers and non-believers. This book details the spirits main name (ie. Heaviness) and the manifestations (ie. Depression) in the form of a tree. The book also tells what demonic spirit to bind (ie. Heaviness) and what Godly Spirit to loose (ie. Garment of Praise) to combat it. Personal Note: Our church uses this book in our class on Spiritual warfare along with "Healings For Damaged Emotions" by David Seamonds. - David

I have read this wonderful book, and I have grown so much spiritually from applying the knowledge that is available to the serious spiritual warrior. I have seen many victories since learning about the 16 strongmen and how to neutralize the attacks and strongholds on my life as well as applying these same principles to pray victoriously for others who are under attack or suffering from oppression. This wonderful book is TRULY A GODSEND!

This is an excellent study of the differing spirits that we fight daily in our culture. This book has been out for years, but is timeless. I taught from it in the early 1990's and here I am again, teaching it to a whole new group. Highly recommended for those who truly believe there is a spirit world we don't see, but is active in our daily lives.

There are no words to describe how powerful this book is. I don't ever remember being so excited in reading a book. This one did it for me! It's the BOMB....all the way....I could not put it down....and now all my friends want the same book. It's dynamite....It's an eye opener, to put it mildly. I LOVE THIS BOOK! The truths are setting me FREE!
