## Customer Reviews

I was looking for Biblical themes for my grandchildren. This book has a board book format and flaps to open, but that format of book generally works better for a very young child who is geared to hear one or two sentences per page. The short, summarized story is a good introduction but I am not sure it works best in the board book, lift-the-flap format. The writing seems geared to children who are older than the child the book is formatted for. I am sure my grandchildren will benefit from it anyway. The illustrations, while not fantastic, are charming enough and pleasant. My oldest grandchild is reading now and I have hopes he will read the stories to himself and to his siblings. Then they can have fun with the flaps.

I recommend buying this book for your children or grandchildren. It has nice words. It's very special and spiritual and will help children be reverent in church.

I bought two of these lift-the-flap books (Stories Jesus Told and Bible Adventures) when my son was in preschool. We enjoyed them for years! He learned the basics of several very important

stories and lessons -- and in a fun, kid friendly way. Ideal for boys and girls ages 2-5, but will continue reading them up until age 7.

Love it my 3 yr old and 1 yr old love it.
