## Synopsis

Twenty-seven years after the deaths of Detective Abby Hart's parents, she's desperate to find the proof that will put the mastermind—the governor's wife—behind bars. When she joins a newly formed task force and teams up with PI Luke Murphy, Abby is sent to San Luis Obispo to work the cold case of a murdered college student. Realizing their investigation will bring them near the town where Alyssa Rollins grew up, Abby decides to do a little digging of her own into the Triple Seven fire. Luke is eager to help Abby close the books on a case they both have personal stakes in. But as she uncovers long-held secrets, Abby stumbles into an explosive situation, and Luke fears that her obsession may prove deadly.

## Customer Reviews

Catching HeatCold Case Justice #3By Janice CantoreWith Kelsey Cox getting a plea bargain in exchange for what she knew about the murders of Abby Hart's parents, Abby should be feeling relief. Instead she's in a state of frustration - the truth about Governor Rollins's wife Alyssa has yet again been protected. How can Abby prove what she suspects if everyone, including the Governor,

is willing to protect this woman with an agenda to get him into ever greater positions of power? Abby is determined to uncover Alyssa's secret - the one that will put her away and get justice for her parents and anyone else who ever crossed Alyssa. There's just one problem the person who is partnering with Abby to find the truth thinks she is becoming obsessive in a hopeless search. But Luke Murphy is wrong and Abby knows it, she just needs to find the loose thread that will unravel Alyssa's safety net. When a cold case involving a murdered college student brings Abby, Luke, and Woody to San Luis Obispo, Abby sees her chance to quietly dig into Alyssa's teenage past. Thanks to a clue that the press had never pursued a story about Alyssa's past during any of Lowell Rollings's previous campaigns, Abby's suspicions are raised. But finding a clue so many years ago may be impossible. And finding some one who remembers Alyssa? Another daunting task. But when a case takes a dangerous turn, Abby may not get the chance to get the answers she's spent her life searching for. And she may not be the only causality in this case... This is another thrilling suspense from Janice Cantore that will keep you turning the pages. This is definitely a can't-put-it-down-until-the-end book. There are a few unexpected twists that add to the what happens next feel.

\*\* "God is our protection no matter what happens" earthquakes, floods, whatever, God is there with us. You don't need to be scared; you just need to pray and ask Jesus to be with you, okay?"

\*\* Abby Hart, now serving on the West Coast's Federal Cold Case Squad, is still seeking justice for the murder of her parents 27 years ago " and getting closer and closer to proving California's First Lady Alyssa Rollins is guilty. In the meantime, she and her partners, retired cop Robert "Woody" Woods and private investigator Luke Murphy, begin a new cold case " finding the killer of Ciara Adessi who went missing in 1996 and whose body was later discovered. As Abby, Luke and Woody look into finding Ciara's killer, they are also brought into a missing fugitive case, with life-threatening results. Janice Cantore's "Catching Heat" deals repeatedly with the theme of justice, as the team works toward proving Alyssa's involvement in the murders of Abby's parents and Luke's uncle almost three decades ago, as well as justice for characters in both the cold case and fugitive case. The characters, Abby in particular, must decide if they are willing to allow God to provide justice " in His timing. It also deals with trust, especially as Luke and Abby find themselves possibly growing in a relationship, and forgiveness " of oneself and of others, and reminds us that God has all the answers, even when we don't. A good theme verse for this novel, which is briefly referenced, is Romans 8:28. I will caution readers that the books in this series are not really standalones. I would highly recommend reading each

book, and in order. Cantore does a great job of blending the three cases together into one story.
