Good Men Stand

Synopsis

The Sequel to MACLEOD. A year after Charles Sampson was sentenced to prison accusations and rumors that Brian Richards had stolen Sampson's ranch begin to circulate among smaller local ranchers, who fear that he will do it to them. When the talk turns to threats of burning Richards out, Devon Macleod steps in to back his friend. Driven by a dark secret from the past, outlaw Harper Sloan shows up in Drewsey with his gang to further agitate the ranchers into taking action against Richards. What shadowy purpose lay behind Sloan's actions is a mystery to them all. When his home is attacked and Sam Raven is found shot in the back, Richards has had enough. Backed by his men, Macleod, and the Parker brothers, he sends a loud and clear message to the Drewsey faction of rancher and outlaw alike, "He wanted a war, now he has one. Tell Harper Sloan that Brian Richards has come out to fight." • Note: Formerly titled "A Man for the Country", published by Bottom of the Hill Publishing. The rewritten and enhanced novel is now published by Double Diamond Books under the title "Good Men Stand".

Customer Reviews

The two books in this series were great fun to read. The characters are well rounded and true to the

classic good vs evil. They were easy and pleasant to read. Twists and turns gave the story added interest. I highly recommend both books.

Well another good adventure lots of action, bushwackers and the norm for a good follow-up. Devon and Rig are arrested by a backstabbing US Deputy Marshal and two con men. Well Devon reads that his father died a year ago and his mother sold the ranch and is living with her daughter and son in law, who doesn't want her there. So this was said in the letter, Devon sends for his mother to come and stay with him and his new wife. Again a clean western with lots of action and who done it. Hopefully there will be another follow-up of MACLEOD...This is showing how the west was growing with all the hiccups and dying town's..cattle rustlers, hustlers..A GREAT READ..keep your coffee hot..... ¥

I would like to recommend this book to anyone who wants to read a very interesting and exciting book where the action never stops. I am finding these books to be very difficult to put down. I will be looking forward to reading the next book from this author.

Good story. I have always thought of the old west as Texas, Oklahoma, Arizona, and Colorado. One never thinks of Oregon as the old west. The book shows how much it was. Enjoy the read.

Fishers book takes into the middle of each episode with clear intent to leave all subtly behind! Interesting character to await his mistakes and how he recovers!

Great read, great action, I could not put it down. I would recommend it to all my western novel readers. David p. Fisher is the writer to follow.

Smooth flowing from beginning to end. I admire the building of characters, the interactions, the plotting. Very nicely done, Mr Fisher
