This is another fabulous book by Joanne Fink. Joanne is a very talented artist whose sharing and generosity knows no limits. This beautiful book is bursting with color and delightfully whimsical illustration featuring Joanne's "zenspiration" style. Not just spiritual inspiration, the book is full of heart-felt, uplifting sentiment. It would make a wonderful gift for graduation or new baby or anyone who just needs a lift or to feel loved. A delightful gem!

This is a delightful and thought provoking little book. It lifts your spirit and just makes you feel good. Joanne's illustrations sing with joy. It would be great to give as a gift. It is full of positive affirmations. It gives you a perspective that allows you to feel that you can accomplish anything.

This book is very inspirational and encouraging. I like the illustrations Joanne Fink uses in this book. I would highly recommend.

I always find Joanne Fink's work enjoyable. This time around she used praise for God as a tool to make us think of what He is and what He does for us. This sweet book is filled with color, spirit and joy. Thanks, Joanne.

This book is wonderful, not only the art in the book beautiful but the sayings gives people hope that everything is going to be o.k.

I thought that I was ordering grown up coloring book. I will be using as a Christmas gift to someone. I am a Christian and do love the way the scriptures are present. They are peaceful. But I wanted to color.

With God All Things Are Possible by Joanne Fink is very inspiring. Love the illustrations and color choices. It made a great gift for my teenage granddaughter to keep her spiritually enriched without the task of preaching about God's love to her.

Not what I expected. I thought it was a coloring book like the other coloring books the illustrated created.
