## Synopsis

4-BOOK SERIES PLUS 1 NEVER BEFORE PUBLISHED BOOK \*\*\* 5 CLEAN STORIES ALL IN ONE BOX SET! Another sweet, clean, historical western Mail Order Brides series - Mail Order Brides for the Reed Boys! Your heart will be warmed as you meet and get to know the four Reed brothers: Beau, Carter, Nick and Finn. Finn, the well-meaning prankster brother plays matchmaker for each of his older brothers, and he receives a surprise himself in the last book! Join along with the brothers as they each step into their new destiny, each walking out their times of trial and joy and their need to trust God.

**BOOK 1 - Jane: A Bride for Cowboy Beau** In this first book of the series, find out what happens as Finn decides it's high time his eldest brother, Beau, gets married. Without Beau's knowledge he has ordered a bride, Jane Barlow. She arrives at the Reed ranch and is introduced to Beau. Angered and flustered, he refuses to take Jane as his bride. His father and brothers insist he give her a trial period of six weeks. Will Jane have to be sent back home at the end of the trial? Come along on their journey and find out what transpires!

**BOOK 2 - Leila: A Bride for Cowboy Carter** In this second book of the series, Finn is at it again! But this time he orders not one potential bride for his unsuspecting brother, but three! (He has a very special reason, of course.) All three girls meet each other on the train and discover they are each to be a bride to Carter Reed. Carter insists all three will be sent back home after he finally agrees to a trial period, but of course as fate will have it, he'll choose one. What causes him to make his choice? And what is to become of the other two potential brides?

**BOOK 3 - Mary: A Bride for Cowboy Nick** In this third book of the series, of course Finn plays matchmaker again. He is now concerned about his brother Nick and his little niece. He feels it's about time little Sarah has a mother, and Nick, a new wife. Is Finn treading on dangerous ground this time? When the mail order bride arrives, Nick will have absolutely nothing to do with her, and is quite angry. But she has won little Sarah's heart. How will this all be resolved?

**BOOK 4: Eva: A Bride for Cowboy Finn** This is the last book of the series, and now, of course, it's Finn's turn to get a bride! I won't spoil the surprise, but Finn's bride is from far, far away! Find out all about why Eva arrives and what God's plan is for the two of them despite the circumstance!

**BONUS BOOK: Rosie & Her Unsuspected Surprise** Rosie is frustrated with her life working at one of the largest hotels in town, where she cleans rooms, but also cares for a few children there-a job which she detests. It's not that she dislikes children, she just doesn't know how to handle them. A friend suggests she become a mail order bride to set her life in a new direction. After arriving to Nebraska, and much to her dismay, she finds out that the man she is to marry failed to mention that he runs an unlicensed orphanage. Appalled, she runs back to the train station to head home, but happens to overhear a conversation that stops her dead

in her tracks. Not knowing what else to do, she changes her mind and has the driver bring her back to the man and his orphans. Find out the reason whyâ |\*\*\*Download FREE with Kindle UNLIMITED\*\*\*

## Customer Reviews

This reads like a high school English homework project, it gets better but not a lot. If these stories were sold seperatly I would say don't buy them.I hope the author keeps writing because she has some good ideas but needs to put more into her characters. I don't really want to read this again so I am sending it back.

This was a delightful collection of historical western romance kindle books from at a special price and from a delightful author who keeps me entertained throughout the entire book. The brothers had help with the Brides as the younger brother wrote to the ladies for the others and surprised them as the ladies arrived, then they did the same for him. A must read for those who enjoy a delightful experience in reading.

The story of each brother was very interesting and different. Finn was the best thing to happen for the whole family.

Great little clean romance stories! Always showing to trust in God in all circumstances.

I liked them. They were, for me, a fun but short reads.
