Grade Level: 3 - 4

Customer Reviews

Girls'™ Tennis: Conquering the Court is a decent introduction to the game and offers information on female tennis players, both pro and amateur. There is a handy glossary and resource guide included in the back of the book. Some of the photographs included in the book border on comical, because of the intense, focused faces of the players. I wish more diagrams were included, especially in regards to the explanation of the scoring system. Aside from that, this book is great for young girls interested in learning more about that game.
